1. Purpose: Our nonprofit organization is committed to transparency, accountability, and ensuring that every donation is used effectively to support our mission. These fulfillment policies are designed to guide the responsible and ethical management of donations received.

2. Donation Acceptance Criteria: We accept donations that align with our mission and values. We reserve the right to decline any donation that may compromise our integrity, values, or the well-being of our beneficiaries.

3. Use of Donations: All donations will be used exclusively for purposes that advance our mission. These include but are not limited to program development, operational expenses, and initiatives directly benefiting the communities we serve.

4. Donor Privacy: The privacy and confidentiality of our donors are of utmost importance. Personal information provided by donors will not be shared, sold, or traded with third parties.

5. Acknowledgment of Donations: We will provide timely acknowledgment and appreciation for all donations, including receipts for tax purposes. Donors have the option to remain anonymous if they wish.

6. Restricted Donations: Donors have the right to designate their donations for a specific program or project. We will make every effort to honor donor restrictions; however, if circumstances change, we may consult with the donor to redirect funds to a related purpose.

7. Refund Policy: Donations are considered final and non-refundable. In the event of an error or unauthorized transaction, donors are encouraged to contact our organization promptly to resolve the issue.

8. Fundraising Expenses: A reasonable percentage of donations may be allocated to cover fundraising expenses. However, we are committed to maximizing the impact of donations on our programs and services.

9. Updates to Policies: These fulfillment policies may be reviewed periodically and updated as needed. Any changes will be communicated to donors through our website, newsletters, or direct communication channels.

By adhering to these donation fulfillment policies, the Valor Global Foundation dba Valor Christian School International aims to build trust with donors, maintain financial integrity, and ensure that our mission is carried out with the highest ethical standards.
